

NOT ONLY FRIENDLY TO THE ENVIRONMENT, BUT TO YOUR BUDGET AS WELL

Reduce your water consumption and time spent washing your fleet. Be amazed by how clean your trucks are.

ACC offers one-on-one fleet cleaning solutions – whether you have a wash bay or not.

- Fleet Washing Consultations
- Current System Analysis (Water, Electrical and Labour Costs)
- Design & Build Wash Facilities
- Complete Accessory Line
- Parts & Service

Experience the Eco-Power Brush:

- Remarkably low water consumption – 20 gallons per vehicle washed (that's only half a bathtub of water)
- Remarkably fast – 5 minute wash cycle per vehicle washed
- Remarkably easy – one-button operation
- Remarkably efficient – one-person operation
